NOTICE!!

TO: City of Virginia Beach Residents

SUBJECT: SA 530 Chimney Hill Parkway - Sanitary Sewer Rehabilitation (CIP 6-552)

The Department of Public Utilities (DPU) has contracted with Inlet Construction to perform utility improvements along Chimney Hill Parkway (refer to the attached map). Construction is scheduled to begin mid-December 2018 and is planned to be completed by mid-March 2019; weather permitting. Normal working hours will be from 8 a.m. to 5 p.m. This project is necessary to fix defects in the public infrastructure and to ensure compliance with state and federal regulations.

This project includes the rehabilitation or replacement of the public sanitary sewer system. One sanitary sewer manhole will be rehabilitated with new manhole covers, frames and inserts, and one sanitary sewer manhole will be replaced. Furthermore, three sanitary sewer mains will be rehabilitated by installing pipe liner.

During construction, the Contractor will be staging material and equipment in the City right-of-way. There will be noise, traffic disruptions, and dust during construction. Please understand that every effort will be made to minimize any inconvenience. Areas impacted by construction will be restored back to its original pre-construction condition by project completion.

If you have any concerns during construction please contact the following individuals:

Contractor:	Mike Stites	Phone (757) 275-9109
Public Utilities Inspector:	Don Scott	Phone (757) 635-2594

Please contact me at 757-385-4967 or by email at chgraves@vbgov.com, if you have any additional questions regarding the project.

Sincerely,

Christopher Graves, E.I.T.
Project Manager
